Application for a Zone Change Request – MWB Family, LLC

MWB Family, LLC (“MWB”) has voluntarily withdrawn its request to the Town Board to amend the zoning of the property located at 1326 New Seneca Turnpike, commonly known as the “LAB Building”. MWB has instead applied to the Planning Board for a special use permit to facilitate the re-development of the LAB Building in a manner consistent with the current zoning regulations applicable to the Rural Residential District.

Janet L. Aaron
Town Supervisor
