

New Shoreline Legislation

Pursuant to Senate Bill 6914 The Town and Village of Skaneateles has been granted jurisdictional authority for any development of boathouses, mooring and docks in any waters within or bounding the respective municipality to a distance of fifteen hundred feet from the shoreline. This legislation was signed into law by Governor Hochul on November 3, 2021 effective immediately (November 4, 2021).

All projects that involve construction at the shoreline and/or into Skaneateles Lake require site plan approval and a building permit.
